

The Easter Egg Rescue

INTRODUCTION

Hello, I'm the Easter Bunny, nice to meet you!
I need your help, and here's what you're going to do!
Yesterday, my mom and dad gave me a basket with six
eggs.

I had to hide the eggs.
I was so happy, that I jumped up really high,
And all the eggs flew up into the sky!
One went to the forest,
Can you help me?

A whimsical illustration of a desert at night. A large, white, smiling moon with rosy cheeks and closed eyes hangs in a dark blue sky filled with stars. Below the moon, rolling orange and yellow dunes are visible. A green saguaro cactus stands on the left. A small, colorful Easter egg is perched on a dune. In the bottom right corner, a friendly-looking brown scorpion with large eyes and a smiling mouth is walking on a green patch of ground.
